HAPPY NEW YEAR AND WELCOME BACK!

We hope our students, their parents and families, and our teachers were able to squeeze in some R&R over the winter break. We welcome students back to class, either at our 5 west 4th Ave location, at their homes, or digitally (Zoom/FaceTime).

WINTER SOLSTICE VIDEO 2021

Winter Solstice YouTube video compilation was a real treat to create, and if you missed it the first time around, here's the link for watching and/or sharing with friends and family. Well done to all the performers, you seemed to have a good time creating your videos. A big thanks to teachers and parents for doing the important job of filming! We look forward to creating another celebratory video for Summer Solstice 2022.

COVID PROTOCOLS

Music lessons will continue in person at our studio with parents, students, and teachers wearing face coverings. Should a student or teacher be sick, we will offer online lessons at the time and day of the lesson in order to keep each other safe and avoid learning disruptions. Thank you in advance for your cooperation. We will update our policies as Provincial Health Orders are rolled out.

WEATHER RESTRICTIONS AND TRAVELLING

As for inclement weather, our studio is open during all weather conditions, however should a teacher or parent not be able to attend their lesson due to severe snow or icy conditions, our policy is to offer online lessons instead (to keep anyone from driving unnecessarily) or in some rare cases (such as in-home lessons) time may be added to 2 classes to make up for the snow-day missed lesson.
