New Drop-In programming @ PMM

We are pleased to offer our first drop-in events, open to the public, and happening in April! This is the first of it's kind, so please feel free to share with friends, or join in yourself!

#1 Heavy Metal Drop-In

All voices and singing abilities welcome. Think of this as a karaoke session mixed with band practice, and attended with a trained vocal instructor!

#2 PMM Sing-a-long night

Bring your voice, your instrument, both, or just come to listen to our very first sing-a-long night.

KIWANIS International Music Festival

PMM IS HAVING ANOTHER EXCEPTIONAL YEAR AT KIWANIS! Students of teacher Chersea have stunning successes; and have been awarded first, second and third place certificates in vocal classes. We will prepare a full listing of participants and placements when the competition concludes.

Congratulations to all the students and to teacher Chersea for this tremendous turn out!
