**"Don't know why you say
goodbye I say hello"**

We had to say a tearful goodbye to longtime PMM violin instructor Karla this past August. Karla is heading out on an adventure like no other. Travelling the world, and marrying the love of her life in the process. We know she'll be making core memories all along the way.

We are also pleased to report that departing teachers Letizia and Jade have settled into their new home at the University of Toronto!

Finally Junior teacher Kat has moved to the island and will commence her very first semester at The University of Victoria next week!

The upshot of all this coming and going is that we now welcome some wonderful new instructors to the PMM family! Please give a warm welcome to:

Teacher Arturo (drums/percussion)
Teacher Teachers Anxhela & Joy (piano) and Teachers Daniel & Sara (violin)
